Mr. Leonelle Panosh
P. O. Box 1773

Dear Sir:

The first thing that is to be done when I returned home is the letter to you. As you will see I have prepared the list - with all the names thereon - however I think the first name under the organization should be the one to be contacted. If this should prove incorrect in any case, I shall appreciate learning about it. I also sent a copy to Dr. Bowers.

After our little meeting I talked with several members and all are very much interested, so it should not be too long a time until something is done to keep in touch with them. I'll leave this up to you and Dr. Bowers - at least until I can get my convention over.

Again I wish to say it wasmy pleasure to meet you in person and also to say that I feel I received much help from our varions meetings. I only wish it could be possible that you may come to Washington soon.

With kindest personal regards to both you and Mrs. Panosh, I am

Cordially yours

E. Eldridge G. Jones
